

equipment:

- Paper
- Scissors
- Glue
- Pencils
- Crayons

how to score:

- Have a competition to see whose javelin can fly the furthest.

how to play:

- Using the equipment in the list, create a paper Javelin.
- Take your time and think about how you can make the Javelin fly far.
- How can you make the Javelin aerodynamic?
- Do you think the Javelin will fly further if it is heavy or light?
- Decorate your Javelin.
